Detailed Description of Accident (Use back of page if necessary) On August 21 st , we were woke up early in the morning to our appliances turning off and on. Also the clock and bedside lamps were not working. Doug Gietzen, an electrician, was called. He determined that the problem was on the Idaho Power side. Idaho Power was called. They tested the poles and found they had different numbers but was within tolerance. On August 28 th , Kathleen came home and found that the lights were not working inside the house. Idaho Power and Doug Gietzen were called again. Idaho Power found that there was a broken neutral line. The line was fixed and solved the <i>Problem</i>
