Re: IPC-E-24-07
Supplemental Notice of Intent to File a General Rate Case or Limited Issue
Rate Proceeding

Dear Ms. Barrios-Sanchez:

On February 14, 2024, pursuant to Rule 122 of the Commission's Rules of Practice and Procedure, Idaho Power Company filed a Notice of Intent to file a General Rate Case or limited issue rate proceeding on or after June 1, 2024. After consultation earlier this month with the parties to general rate case IPC-E-23-11, Idaho Power intends to file a limited issue rate case proceeding in lieu of a full general rate case. Further, because June 1, 2024, falls on a Saturday, Idaho Power is filing this supplemental Notice that it intends to make this filing on or after May 31, 2024.

This supplemental Notice has been distributed to parties listed below. Please advise if there should be other parties added to this distribution.

If you have any questions regarding the proposed filing, please contact me at (208) 388-5515.

Sincerely,

Timothy E. Tatum
