2. Idaho Conservation League and claims a direct and substantial interest in this proceeding on behalf of our members who are customers of Idaho Power Company (“Idaho Power ” or “Company”). ICL represents its organizational interest, the interests of its approximately 11,000 members generally, and those who are customers within the Company’s service territory. ICL was party to Idaho Power’s previous rate case, IPC-E-23-11, and a signatory to the resulting settlement. The Commission has consistently granted ICL’s intervention in Idaho Power dockets on similar grounds.

4. ICL intends to participate in this matter as a party. The nature and quality of ICL's intervention in this proceeding is dependent upon the nature and effect of other evidence in this proceeding. If necessary, we may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 12th day of June, 2024
