Eagle, ID 83616-7688

Name of Utility Company: Idaho Power

Case ID: IPC-E-24-10

Comment: "Idaho Power didn't ask for a rate increase since 2011 now they've asked for one in 2023 and 2024. Enough is Enough. We are retired and on a fixed income. Most everything has gone up beyond even the rate of inflation. Stop bleeding us dry. No more rate increases. "
