On December 6, 2024, Idaho Power Company (“Company”) filed an application (“Application”) with the Idaho Public Utilities Commission (“Commission”) requesting an order approving the Special Contract for electric service between the Company and Micron Idaho Semiconductor Manufacturing (Triton) LLC (“Micron”), for Micron’s new memory manufacturing fabrication complex (“Micron FAB”), and approving the rates proposed in tariff Schedule 28.

On January 27, 2025, the Commission issued a Notice of Application and Notice of Modified Procedure establishing a March 12, 2025, initial comment deadline, and a March 26, 2025, reply comment deadline. Order No. 36446.

The Commission granted intervention to Micron Technology, Inc. (“Micron”), the Idaho Irrigation Pumpers Association, Inc. (“IIPA”), and the Industrial Customers of Idaho Power (“ICIP”). Order Nos. 36460, 36479, 36483.

On February 20, 2025, IIPA filed an Objection to Modified Procedure, Demand for Hearing, and Motion to Consolidate for Hearing with Interrelated Cases (“Motion”). IIPA requested oral argument on the Motion.

During the Commission’s March 4, 2025, decision meeting, Commission Staff (“Staff”) recommended that the Commission establish a schedule for oral argument, or any other procedure deemed necessary by the Commission. Staff also recommended that the Commission vacate the comment deadlines set in Order No. 36446 and set a new procedural schedule upon resolution of the Motion.

The Commission thereby vacated the comment deadlines. The Commission now enters this order in conformity with that decision and sets the date for oral argument on IIPA's Motion.

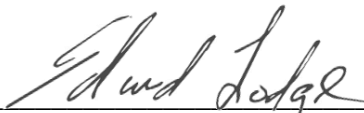

ORDER

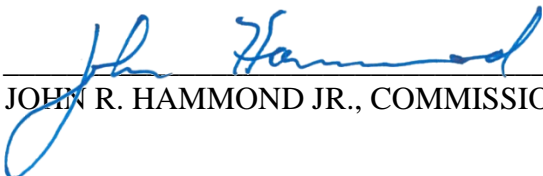

IT IS HEREBY ORDERED that the comment deadlines set in Order No. 36466 are vacated.

IT IS FURTHER ORDERED that the Commission shall hear oral argument on IIPA's Motion on March 25, 2025, during the Commission's scheduled decision meeting at 1:30 p.m. MDT.

IT IS FURTHER ORDERED that parties comply with Order No. 35375, issued April 21, 2022. Generally, all pleadings should be filed with the Commission electronically and will be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should continue to be accomplished electronically when possible. However, voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.

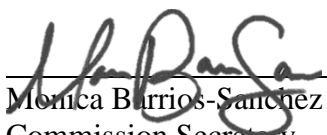

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 14th day of March 2025.
