PROJECT	)	

On March 14, 2025, Idaho Power Company (“Company”) filed an Application requesting authority to adjust customer rates by \$29,708,787 to recover incremental Allowance for Funds Used During Construction (“AFUDC”) costs associated with the Hells Canyon Complex (“HCC”) relicensing project. The request was contingent upon the outcome of the Power Cost Adjustment update filed April 15, 2025, and proposed a June 1, 2025, effective date.

On September 26, 2025, the Commission issued Order No. 36775 approving the Company’s request to increase rates by \$29,708,787 to recover incremental AFUDC costs associated with the HCC relicensing project. The Commission directed the Company to submit conforming tariffs within 30 days of the order date.

On October 1, 2025, the Company filed a conforming tariff reflecting the rates approved in Order No. 36775. Staff reviewed the tariff and confirmed that it complies with Order No. 36775.¹

COMMISSION FINDINGS AND DECISION

The Commission has jurisdiction over the Application and the issues in this case under Title 61 of the Idaho Code including *Idaho Code* §§ 61-301 through 303. The Commission is empowered to investigate rates, charges, rules, regulations, practices, and contracts of all public utilities and to determine whether they are just, reasonable, preferential, discriminatory, or in violation of any provisions of law, and to fix the same by order. *Idaho Code* §§ 61-501 through 503.

¹ The compliance filing also included a proposed tariff for Case No. IPC-E-25-15. That tariff will be addressed in a separate order.

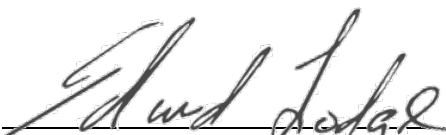

After reviewing the record and all submitted filings, the Commission finds that the Company's updated tariff that was submitted in the compliance filing on October 1, 2025, complies with the Commission's orders.

ORDER

IT IS HEREBY ORDERED that the Company's updated tariff submitted through a compliance filing on October 1, 2025, is approved with an effective date of October 1, 2025.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date upon this Order regarding any matter decided in this Order. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *Idaho Code* § 61-626.

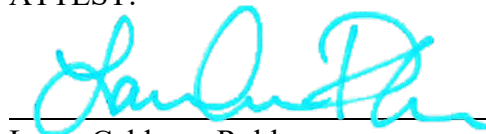

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 21st day of October 2025.
