On September 30, 2025, Idaho Power Company ("Company"), applied for approval of an energy sales agreement with Fossil Gulch Wind Park, LLC ("Seller") for energy generated by the Fossil Gulch Wind Park ("Facility") in Twin Falls County, Idaho ("Proposed ESA"). The Company requests processing of this matter via modified procedure.

With this Order the Commission issues notice of the Company's Application and establishes public comment and Company reply deadlines.

NOTICE OF APPLICATION

YOU ARE HEREBY NOTIFIED that the Company represents that the Facility delivered energy to the Company under an ESA dated September 9, 2004 ("2004 Agreement"), until its expiration on September 25, 2025.

YOU ARE FURTHER NOTIFIED that the Company represents that it was unable to form a new ESA with the Seller before the 2004 Agreement expired on September 25, 2025, due to the unresponsiveness of the Facility's prior owner.

YOU ARE FURTHER NOTIFIED that the Company represents that it executed the Proposed ESA with the Seller on September 30, 2025 to replace the 2004 Agreement.

YOU ARE FURTHER NOTIFIED that the Company represents that because the 2004 Agreement expired before approval of the Proposed ESA, it formed an Interim Agreement with the Seller.
