On August 25, 2026, Idaho Power Company (“Company”) applied to the Idaho Public Utilities Commission (“Commission”) requesting an order approving the Third Amendment (“Third Amendment”) to the Power Purchase Agreement (“PPA”) between the Company and Telocaset Wind Power Partners, LLC (“Seller”), which would extend the term of the PPA and update the pricing schedule (“Application”).

The Commission now issues this Notice of Application and Notice of Modified Procedure establishing written comment deadlines.

NOTICE OF APPLICATION

YOU ARE HEREBY NOTIFIED that the Commission approved the 20-year PPA between the Company and Seller for the purchase and sale of energy generated at the Elkhorn Wind Park (“Facility”) in 2007. Application at 2. The initial term of the PPA is scheduled to expire on December 31, 2027. *Id.*

YOU ARE FURTHER NOTIFIED that, through the Third Amendment, the Company seeks a five-year extension of the term of the PPA to help mitigate capacity deficits beginning in 2028. *Id.* at 3.

YOU ARE FURTHER NOTIFIED that according to the Company, the Third Amendment’s updated per megawatt-hour base rate compares favorably to potential alternative resources and to the prices in effect at the end of the PPA’s initial term. *Id.* The Company also believes the fact that the Facility is an existing project without development risks, the operational history, and the Seller’s Lifespan Assessment Study add value to the Third Amendment. *Id.* at 3–4.

YOU ARE FURTHER NOTIFIED that the Third Amendment provides the Company an option to extend the PPA for an additional five years under terms to be negotiated prior to the scheduled expiration of the Third Amendment on December 31, 2032. *Id.* at 4.

YOU ARE FURTHER NOTIFIED that the Company states that the conditions, performance obligations, rates, and other terms of the PPA would remain intact, except as expressly provided in the Third Amendment. *Id.* at 4.
