**RE: PAC-E-17-03 PACIFICORP'S APPLICATION FOR ACKNOWLEDGEMENT OF
THE 2017 INTEGRATED RESOURCE PLAN**

Dear Ms. Hanian:

Please find enclosed an original and seven (7) copies, of PacifiCorp's 2017 Integrated Resource Plan (2017 IRP). In an effort to improve transparency PacifiCorp plans to supplement this filing on April 11, 2017, with data discs containing non-confidential and confidential work papers for the 2017 IRP. These discs provide additional support for the analysis described within the bound volumes of the document. Copies of the 2017 IRP are also available electronically on PacifiCorp's website, at www.pacificorp.com. Confidential information in the 2017 IRP will be provided to any party who has signed a non-disclosure agreement in this Case. PacifiCorp requests that interested parties contact the state manager listed below for a copy of the non-disclosure agreement that must be executed and submitted prior to obtaining a copy of the confidential information.

PacifiCorp submits the 2017 IRP filing in compliance with Order No. 22299, Case No. U-1500-165, dated January 1989; whereby the Idaho Public Utilities Commission ("Commission") ordered biennial filings of the electric integrated resource plan. This plan is also submitted to the Commission as the Resource Management Report on the Company's resource planning status. The 2017 IRP contains information outlining how PacifiCorp has addressed the Commission's integrated resource planning requirements (see Table B.2 "Appendix B – IRP Regulatory Compliance").

The 2017 IRP fully complies with the resource planning requirements in the Commission's rules, and the Company respectfully requests that the Commission acknowledge the 2017 IRP in accordance with those rules and fully support the 2017 IRP conclusions, including the proposed action plan.
