---

Pursuant to Rules 71 through 73 of the Idaho Public Utilities Commission’s Rules of Practice and Procedure, PacifiCorp Idaho Industrial Customers (“PIIC”) petitions the Idaho Public Utilities Commission (the “Commission”) for leave to intervene in the above referenced case. In support of this Petition, PIIC states as follows:

1. The name and address of PIIC is:  
PacifiCorp Idaho Industrial Customers  
c/o Williams Bradbury, P.C.  
P.O. Box 388  
Boise, ID 83701
2. PIIC will be represented in this proceeding by Williams Bradbury,

P.C. All documents relating to these proceedings should be served on the following persons at the addresses listed:

3. PIIC is a coalition of Idaho companies that are industrial and large load customers of Rocky Mountain Power (“RMP” or the “Company”), and PIIC members pay RMP tariff and/or special contract rates for electric service. The Company’s proposal, if implemented as filed, would result in a significant rate increase for PIIC members. PIIC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party. PIIC intends to participate in all respects of this proceeding and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

4. Without the opportunity to intervene herein, PIIC would be without a manner or means of participating in the lawful determination of issues which will result in affecting the rates for electric service to the PIIC members.

WHEREFORE, PIIC respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 24th day of September, 2018.

Respectfully submitted,

---
