

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF ROCKY MOUNTAIN)	CASE NO. PAC-E-20-18
POWER'S APPLICATION FOR APPROVAL)	
OR REJECTION OF AN ENERGY SALES)	ORDER NO. 34971
AGREEMENT WITH AMY FAMILY)	
HOLDINGS, LLC)	

This matter comes before the Commission on PacifiCorp's dba Rocky Mountain Power ("Company") unopposed motion for stay ("Motion"). By way of background, on December 3, 2020, the Company applied to extend its energy sales agreement with Amy Family Holdings, LLC ("Seller") for one year. The point of the one-year extension was to allow the Company and Seller to complete upgrades for a new stand-alone interconnection agreement. After the Company filed its Application to extend the agreement's term, however, the Seller significantly progressed on the new interconnection provisions to the point the Company is confident the Seller now can complete the interconnection before the energy sales agreement expires. The Company has thus moved the Commission to Stay its Application to extend the energy sale agreement's term for one-year because the Company believes the extension may no longer be necessary.

Having reviewed the Company's Motion, the Commission finds it reasonable to grant the Company's Motion.

ORDER

IT IS HEREBY ORDERED that the Company's Motion is granted. This case is stayed. If the Seller has not completed its interconnection requirements by October 15, 2021, the Company must seek continuance in this case to allow the Commission to fully process its Application before the December 31, 2021 expiration.

IT IS FURTHER ORDERED that parties should continue to comply with Order No. 34781, issued September 17, 2020. All pleadings should be filed with the Commission electronically and shall be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should also be accomplished electronically. Voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 25th
day of March 2021.
