Section 3.16. Action Without Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board, individually or collectively,

consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board. Such written consent or consents shall be filed with the minutes of the proceedings of the Board.

The Corporation may, at the discretion of the Board, purchase and maintain insurance on behalf of the persons described in Sections 10.2 and 10.3 against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person under the laws of the State of California.

ARTICLE XI CONFLICTS OF INTEREST

Section 11.1. Fiduciary Obligation. In conducting the affairs of the Corporation, each director shall owe a fiduciary obligation exclusively to the Corporation, and not to any other person or entity, including the entity that appointed such director to the Board of the Corporation.

Section 11.2. Statement of Potential Conflicts. Prior to taking his or her position on the Board, and annually thereafter, each director shall submit in writing to the President of the Board a list of all businesses and other organizations of which he or she is an officer, director, trustee, member, owner (either as a sole proprietor or a partner), a shareholder (other than a *de minimis* ownership interest), employee or agent with which the Corporation has, or might be expected to have, a relationship or a transaction in which the director might have an interest conflicting with the fiduciary obligation stated in Section 11.1. The statements shall be made available to all directors.

Section 11.3. Conduct of Meetings of the Board of Directors When a Conflict Exists. At such time as any matter comes before the Board which involves or may involve a conflict of interest, the affected director shall make known the potential conflict, whether disclosed by his or her written statement or not. Such director shall answer any questions that might be asked of him or her and shall disclose all material facts. At the request of the President, or the request of the Vice-President if the director with a conflict is the President, such director shall withdraw from the meeting for so long as the matter shall continue under discussion. If by withdrawing there is no longer a quorum, consideration of the matter shall be rescheduled until such time when there is a quorum despite the withdrawn director.

Section 11.4. Effect of Conflict. A director may be interested, directly or indirectly, in any contract, transaction or act relating to or incidental to the operations conducted by the Corporation, and may freely make contracts, enter into transactions, or otherwise act for or on behalf of the Corporation in such matters; provided that (i) the direct or indirect interest of the director in the proposed contract, transaction or act shall first be disclosed to and approved by the Board, (ii) any director directly or indirectly interested in the contract, transaction or act shall refrain from voting on the matter, and (iii) no contract, transaction or act shall be entered into or taken on behalf of the Corporation if such contract, transaction or act would jeopardize the Corporation's tax-exempt status under Section 501(c)(3) of the Code.
