Q1182: Fall River Rural Electric Cooperative, Inc. – Chester Hydro / Notice of Delay of System Impact Study Report Provision

Dear Mr. Peterson:

Due to a significant number of Interconnection Requests proposing to interconnect in the same geographical area of PacifiCorp's electrical system as the Interconnection Request submitted by Fall River Rural Electric Cooperative, Inc. ("Interconnection Customer"), PacifiCorp will be unable to provide the Interconnection Customer's System Impact Study ("Study") within the timelines outlined in PacifiCorp's Small Generation Interconnection Procedures.

If you have any questions, please contact me at (503) 813-6496.

Sincerely,

Kristopher Bremer
Director, Generation Interconnection
