On May 27, 2021, PacifiCorp dba Rocky Mountain Power (“Company”) applied to the Commission requesting authority to increase its Idaho jurisdictional revenue requirement by \$19.0 million, or approximately 7.0 percent.

On June 17, 2021, the Commission issued a Notice of Application, a suspension of the proposed effective date, and a Notice of Intervention Deadline. Order No. 35079.

On August 24, 2021, the Commission issued a Notice of Scheduling, Notice of Public Workshop, Notice of Customer Hearing, and Notice of Technical Hearing. Order No. 35144. Order No. 35144 established that a customer hearing would take place at 6:00 PM on November 15, 2021 and included call-in information for customers who wished to participate.

After Order No. 35144 was issued, the Commission implemented what it believes will be a more efficient process for conducting customer hearings. With this Order, the Commission amends the prior Notice of Customer Hearing with new call-in instructions in order to utilize the more efficient process for this case.
