IDAHO UTILITIES COMMISSION:

I DON'T HAVE INTERNET SO I CAN'T TYPE THIS. IN FACT I DON'T HAVE MUCH OF ANYTHING BECAUSE I'M TRYING TO LIVE ON MY DISABILITY CHECKS WHICH CALCULATES OUT TO \$7.27 AN HOUR BASED ON A 40 HOUR WORK WEEK.

DO ANY OF YOU OR ROCKY MOUNTAIN POWER EMPLOYEES MAKE THAT PER HOUR? I REALLY DOUBT IT. MY CAR IS 20 YEARS OLD. BUT THAT DOESN'T MATTER BECAUSE THE COST OF GAS IS SO HIGH, WHO CAN GO ANYWHERE? MY HOUSE IS 110 YEARS OLD AND NEEDS THOUSANDS OF DOLLARS OF REPAIRS. NO DOUBT MOST OF MY WINTER HEATING <sup>GOES</sup> STRAIGHT OUTSIDE. DON'T EAT MUCH EITHER. GROCERIES ARE SO HIGH. AND NOW ROCKY MOUNTAIN POWER WANTS A 10% HIKE? WELL YOU KNOW WHERE THEY CAN STICK THAT!

A RAISE OF \$10.32 WOULD BE DEVASTATING TO ANY POOR PERSON ON A LOW FIXED INCOME. PERHAPS THE HIGH PAY OF ROCKY MOUNTAIN EMPLOYEES SHOULD SACRIFICE MAKING SO MUCH AND TAKE PAY CUTS TO PAY FOR THIS "WONDERFUL PLAN." SEE HOW THEY'D LIKE TO MAKE LESS AND STILL PAY FOR THE NECESSITIES OF LIFE!!!

PEOPLE LIKE ME SAY "NO" TO THIS PASSED PRICE CHANGE OR ANYTHING EVEN REMOTELY CLOSE TO IT.
