) ORDER NO. 35468

On May 18, 2022, Rocky Mountain Power (“Company”) and Amy Family Holdings (“Seller”) (collectively, the “Parties”) entered into a 20-year renewal PPA. On June 16, 2022, the Commission issued Order No. 35433 which established a public comment deadline of July 15, 2022, and a reply comment deadline of July 22, 2022. After issuance of Order No. 35433, the Commission Staff (“Staff”) discovered that the Company never filed an amended agreement (“Amendment”) as directed by the Commission in Case No. PAC-E-20-18 for the one-year extension the Parties previously applied for authority to enter.¹ See Order No. 35262. Because the Amendment is the baseline for determining the avoided cost rates for the 20-year PPA, Staff cannot review the Application in the present case until the Amendment is approved by Commission order in Case No. PAC-E-20-18.

At the Commission’s July 12, 2022 Decision Meeting, Staff recommended vacating the public comment and reply comment deadlines established in Order No. 35433 and establishing a new 14-day public comment deadline, and 21-days for the reply comment deadline.²

Having reviewed Staff’s recommendations, we now issue this Order vacating the comment deadlines established in Order No. 35433 and establish new public comment and reply deadlines.

¹ Order No. 35262 conditioned the approval of the one-year extension in Case No. PAC-E-20-18 on the change of the Facility’s nameplate capacity and inclusion of bifurcated rates in the Amendment.

² At the July 12, 2022, Decision Meeting, Staff communicated to the Commission that it had reviewed the Amendment filed on June 14, 2022, in compliance with Order No. 35262, and believed it complied with the Commission’s direction in Order No. 35262. Staff recommended the Commission approve the Amendment. The Commission moved to approve the Amendment as filed, which the Commission unanimously agreed to. An order memorializing the Commission’s decision in Case No. PAC-E-20-18 will be entered subsequently.
