IN THE MATTER OF ROCKY)	CASE NO. PAC-E-22-12
MOUNTAIN POWER’S APPLICATION)	
REQUESTING A PRUDENCY)	NOTICE OF AMENDED COMMENT
DETERMINATION ON DEMAND-SIDE)	DEADLINES
MANAGEMENT EXPENDITURES)	
<hr/>		ORDER NO. 35659

On August 17, 2022, Rocky Mountain Power, a division of PacifiCorp (“Company”), requested an order finding it prudently spent \$10,039,507 on demand side management in 2020 and 2021.

On September 14, 2022, the Commission issued a Notice of Application and set an intervention deadline for interested parties. Order No. 35530. No parties petitioned to intervene.

On November 4, 2022, the Commission issued a Notice of Modified Procedure setting a January 12, 2023 public comment deadline and a January 26, 2023 Company reply deadline. Order No. 35584.

At the Commission’s January 4, 2022, Decision Meeting, Staff recommended the Commission vacate the comment deadlines set in Order No. 35584 and set new deadlines to allow Staff adequate time to review Company responses to production requests that could not be filed completely by the dates Staff requested. Staff noted that the requested extension would allow it time to work with the Company to obtain and review necessary information for its comments. The Company supported Staff’s request.

Based on these facts, we find it reasonable to vacate the existing comment deadlines and issue this Notice of Amended Comment Deadlines.

NOTICE OF AMENDED COMMENT DEADLINES

YOU ARE HEREBY NOTIFIED that the Commission finds it reasonable to vacate the comment deadlines set in Order No. 35584 and set new deadlines to allow the parties adequate time to review responses to production requests and file comments and reply comments.

IT IS FURTHER ORDERED that **any person desiring to state a position on this Application must file a written comment in support or opposition with the Commission by February 23, 2023.**

IT IS FURTHER ORDERED that the Company must file any reply comments **by March 9, 2023.**

ORDER

IT IS HEREBY ORDERED that the comment deadlines established in Order No. 35584 are vacated.

IT IS FURTHER ORDERED that interested persons must file any comments by February 23, 2023 and the Company must file any reply comments by March 9, 2023.

IT IS FURTHER ORDERED that parties comply with Order No. 35375, issued April 21, 2022. Generally, all pleadings should be filed with the Commission electronically and will be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should continue to be accomplished electronically when possible. However, voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 9th day of January 2023.
