Rigby, ID 83442

Name of Utility Company: Rocky Mountain Power

Case ID: PAC-E-22-15

Comment: "The proposal seems to more heavily benefit big users of electricity. Makes me wonder if this proposal is driven by corporations or for the benefit of individual Idahoans. Ultimately, this proposal does not help the individual households..... especially if they have invested in solar already. I fear for those on fixed income that are frugal, yet they will still have to pay a higher "connection fee"."
