RE: IN THE MATTER OF ROCKY MOUNTAIN POWER'S APPLICATION
FOR AN ORDER INCREASING AND EXTENDING ITS SHORT-TERM
DEBT AUTHORITY FOR FIVE YEARS; CASE NO. PAC-E-22-17.

On October 28, 2022, Rocky Mountain Power ("Company") filed an Application requesting to increase the current authority to borrow short-term debt and extend that authority for five years. The Company requested an order be issued by December 15, 2022. Per *Idaho Code* Title 61 Section 904, the Commission has 30 days from the filing date to issue an order, unless it is necessary, for good cause, to suspend the effective date. The comprehensive analysis required for this case, along with the posted decision meeting schedules, require a suspension of the order date.

STAFF DISCUSSION AND RECOMMENDATION

Idaho Code Title 61 Section 904 allows for the Commission to extend the deadline for good cause. Between the limited decision meetings, the holiday, and the need for additional analysis, Staff believes the Commission has good cause to extend the order deadline to December 15, 2022.

COMMISSION DECISION

Does the Commission wish to extend the deadline for issuing an order in this case until December 15, 2022.

Deputy Attorney General
