**RE: CASE NO. PAC-E-23-10 - PACIFICORP'S APPLICATION FOR
ACKNOWLEDGEMENT OF THE 2023 INTEGRATED RESOURCE PLAN**

Dear Ms. Noriyuki:

On May 31, 2023, PacifiCorp d/b/a Pacific Power ("PacifiCorp" or "Company") filed its amended final 2023 Integrated Resource Plan ("2023 IRP") in the above-referenced docket. PacifiCorp is now supplementing its May 31, 2023 filing with both the non-confidential and confidential workpapers for the amended final 2023 IRP.

The 2023 IRP (Amended Final) and public workpapers are available electronically on PacifiCorp's ("Company") website, at www.pacificorp.com/irp.

Confidential information in the workpapers will be available to state regulators and any party who has intervened in this case and signed a non-disclosure agreement. PacifiCorp requests that interested parties contact the state manager listed below for a copy of the non-disclosure agreement that must be executed and submitted prior to obtaining a copy of the confidential information.

Confidential workpapers include model input and results, and support for tables and figures organized by chapter and appendix. This includes materials for all studies, variants and sensitivities included in the May 31, 2023 filing.

Informal inquiries, including requests to receive a copy of the 2023 IRP filing or non-disclosure agreement, may be directed to Mark Alder, Idaho Regulatory Affairs Manager, at (801) 220-2313.

Sincerely,

Joelle Steward
Senior Vice President of Regulation and Customer/Community Solutions
