On May 31, 2024, PacificCorp dba Rocky Mountain Power (“Company”) applied for authority to increase its Idaho jurisdictional revenue requirement by \$92.4 million, or approximately 26.8 percent. The Company proposes the first increase of \$66.7 million, or 19.4 percent, take effect on January 1, 2025, and a second increase of \$25.7 million, or 7.4 percent, take effect on January 1, 2026.

On June 20, 2024, the Commission issued a Notice of Application and Notice of Intervention Deadline. Order No. 36229. The Idaho Irrigation Pumpers Association, Inc., Idaho Conservation League, Bayer Corporation, and PacifiCorp Idaho Industrial Customers intervened.

At the Commission’s September 17, 2024, Decision Meeting, Staff presented a Decision Memorandum recommending the Commission schedule a virtual public workshop. We now issue this Notice of a Virtual Public Workshop and direct Staff to conduct the virtual public workshop on September 25, 2024.¹
