On March 28, 2025, Rocky Mountain Power, a division of PacifiCorp, (“Company”) applied to the Idaho Public Utilities Commission (“Commission”) requesting an accounting order authorizing the Company to record a regulatory asset associated with the costs associated with the Company’s 2024 Energy Cost Adjustment Mechanism (“ECAM”) rate adjustment of approximately \$2.33 million, representing the costs incurred by the Company to comply with the Washington Climate Commitment Act (“WCCA”).

With this Order the Commission issues notice of the Company’s Application and establishes public comment and Company reply deadlines.

NOTICE OF APPLICATION

YOU ARE HEREBY NOTIFIED that the Company’s appeal of the Commission’s Order Nos. 36207 and Order No. 36367, in which the Commission disallowed recovery of \$2.3 million in costs the Company incurred to comply with the WCCA in the Company’s 2023 ECAM, is currently pending before the Idaho Supreme Court.

YOU ARE FURTHER NOTIFIED that the Company states it filed its 2024 ECAM and excluded WCCA compliance costs from its filing since the outcome of the appeal with the Idaho Supreme Court is unknown. This will allow that proceeding to conclude more efficiently.

YOU ARE FURTHER NOTIFIED that the Company proposes tracking its 2024 WCCA compliance costs in a separate deferral account. Once the Idaho Supreme Court issues its opinion in the appeal of Order Nos. 36207 and Order No. 36367, the Company will seek recovery of these costs if appropriate.

YOU ARE FURTHER NOTIFIED that the Company estimates Idaho's share of the WCCA compliance costs it incurred during the 2024 ECAM deferral period to be about \$2.33 million.

YOU ARE FURTHER NOTIFIED that the Application is available for public inspection during regular business hours at the Commission's office.
