On December 29, 2026, PacifiCorp, d/b/a Rocky Mountain Power (“Company”) applied to the Idaho Public Utilities Commission (“Commission”) requesting an order authorizing the recording of a regulatory asset for the differences in costs and revenues between the expiring 2020 PacifiCorp Inter-Jurisdictional Allocation Protocol (“2020 Protocol”) and the pending 2026 PacifiCorp Inter-Jurisdictional Allocation Protocol (“2026 Protocol”) (“Application”).

On February 4, 2026, the Commission issued a Notice of Application and Notice of Modified Procedure establishing written comment deadlines. Order No. 36925. Commission Staff (“Staff”) filed comments on February 25, 2026. On February 26, 2026, prior to the Company reply comment deadline of March 11, 2026, the Company filed a Motion to Vacate the Procedural Schedule and to Suspend Discovery (“Motion”).

During the Commission’s March 3, 2026, Decision Meeting, Staff presented a Decision Memo describing the Company’s Motion and noting the lack of objection. We granted the Company’s Motion. We now enter this Order in conformity with that decision.

IT IS HEREBY ORDERED that the comment deadlines set in Order No. 36925 are vacated.

IT IS FURTHER ORDERED that the parties’ discovery rights and all outstanding discovery response deadlines are suspended until further notice.

Service between parties should continue to be accomplished electronically when possible. However, voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.
