Please describe your comment briefly:

I am writing to express my concern about the proposed net increase that was filed 6/30/09. I feel Avista has not proven that it deserves the increase. My service over the years has continually worsen. I do not trust the administration to use increase fees to better improve since I have only seen increases over the years with less service and NO improvement. Please, do NOT approve this increase. These energy riders are just a fancy term for paying their over paid top officials. Thanks you.
