Idaho Forest is engaged in the business of growing, harvesting and processing trees and forest products. The name and address of Idaho Forest is:

3. Idaho Forest is an electric service customer of Avista Corporation (“Avista”), taking service under Avista's Schedule 25-Extra Large General Service-Idaho. IFG’s facilities are located at Grangeville, Idaho, and at Lewiston, Idaho, and consist of a lumber milling and processing operations. Accordingly, Idaho Forest has a direct and substantial interest in this proceeding.

4. Without the opportunity to intervene herein, Idaho Forest would be without adequate means of participation in this proceeding that may have a material impact on its electric rates and terms and conditions of service.

5. Idaho Forest desires to participate in this proceeding with full rights of a party to, if necessary, introduce evidence, cross-examine and participate in hearings or oral argument. The exact quantity of evidence to be introduced cannot be stated at this time, but IFG’s participation will not unduly broaden the issues or cause delay.

WHEREFORE, IFG respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 15<sup>th</sup> day of April, 2019.
