RE: **Notice of Intent to File a Combined Electric and Natural Gas General Rate Case**

In accordance with Case No. GNR-U-20-01, Order No. 34602, which suspends the requirement to file physical copies, the Company has attached for electronic filing with the Commission its intent to file a combined electric and natural gas general rate case.

In compliance with the minimum sixty day notice requirement of Rule 122 of the IPUC Rules of Procedure "Notice of Intent to File a General Rate Case," Avista Corporation herein provides notice to the Idaho Public Utilities Commission that the Company intends to file a combined electric and natural gas general rate case on or after January 15, 2021. It is the Company's intent to utilize the 12-month period ending December 31, 2019, as the test year for its filing. The Company implemented its last general rate change in the state of Idaho on December 1, 2019 for its electric customers and January 1, 2018 for its natural gas customers.

If you have any questions regarding the proposed filing, please contact Liz Andrews at (509) 495-8601.

Sincerely,

/s/ Patrick Ehrbar
