This Franchise shall not convey any right to Grantee to locate, install, extend, or construct Facilities on or to otherwise use Grantor-owned or leased properties outside the Franchise Area.

Existing Facilities installed or maintained by Grantee on public grounds and places within the Grantor's territorial limits in accordance with prior franchise agreements (but which such Facilities are not within the Franchise Area as defined by this Franchise) may be maintained, repaired, replaced, operated, and used in like kind by Grantee at the location where such Facilities exist as of the Effective Date of this Franchise for the term of this Franchise; provided, however, that no such Facilities may be enlarged, improved, or expanded without the prior review and approval of the Grantor pursuant to applicable ordinances, codes, resolutions, standards, and procedures.

Section 7. Conduct of Grantee's Business

7.1. Reasonable Rules and Regulations

The Grantor shall have the right to make and enforce reasonable rules and regulations pertaining to the conduct of the Grantee's business. Prior to the adoption of any new rule, procedure, or policy, Grantee shall be provided a written draft document for comment with a response period of not less than thirty (30) business days. Service shall be supplied to the Grantor and persons and businesses within Grantor's jurisdiction in accordance with the Grantee's rules and regulations and Tariffs filed or hereafter filed with the appropriate regulatory body of this State having jurisdiction over the Grantee. Grantor shall not engage in the business of manufacturing, distributing, and/or selling of Gas during the life of this Franchise or any extension thereof in competition with the Grantee, its successor and assigns; but nothing herein contained shall be construed or deemed to prevent the Grantor from exercising at any time any power of eminent domain granted to it under the laws of this State.

7.3. Non-Interference with Existing Facilities

All location, construction, installation, repair, replacement, relocation, or operation of Facilities and appurtenances performed by Grantee in, upon, over, under, across, and along the Franchise Area subject to this Franchise shall be done in such a manner as not to interfere with existing facilities of other utilities, public or private, including drains, drainage ditches and structures, irrigation ditches and structures located therein, nor with the grading or improvement of such streets and alleys subject to this Franchise.

7.4. Facility Location Information

Grantee shall provide the Grantor, upon the Grantor's reasonable request, Facility location information, electronic or hard copy, showing the location of Grantee's Facilities at specific locations within the Franchise Area, to the extent reasonably available. As to any such Facility location information so provided, Grantee does not warrant the accuracy thereof and, to the extent the location of Facilities are shown, such Facilities may be shown in their approximate

location. With respect to any excavations within the Franchise Area undertaken by or on behalf of Grantee or the Grantor, nothing herein is intended, nor shall be construed, to relieve either Grantor or Grantee of their respective obligations arising under applicable law with respect to determining the location of utility facilities, including those Facilities owned, maintained, and/or used by Grantee.

7.5. Necessary Construction/Maintenance by Grantor

The location, construction, repair, replacement, relocation, operation, or use of Grantee's Facilities authorized by this Franchise shall not preclude the Grantor, its agents or its contractors, from using the Franchise area in a manner not in conflict with Grantee's Facilities.

7.6. Right of Ingress and Egress by Grantee to Consumer

The Grantee, its agents, servants, and employees shall have the right and power to require of every Consumer a contractual right of ingress and egress upon, and from, any and all Gas Consumers' properties for the purpose of installing, servicing, moving, changing, and reading meters, inspecting, maintaining, or repairing meters, and for the purpose of testing, examining, or inspecting the Grantee's Facilities and appliances of the Consumer, if, as, and when the Grantee chooses.

8.1. Authorization

For the purpose of carrying into effect the privileges granted hereunder, Grantee shall be authorized to make any necessary excavations in, under, and across the Franchise Area, for purposes of constructing, maintaining, operating, extending, repairing, or replacing its Gas transmission and distribution Facilities, subject to the terms and conditions stated herein.

8.2. Excavation, Construction, or Maintenance Work

Except in the case of emergency, prior to commencing any excavation, construction, or maintenance work in the Franchise Area, the Grantee shall notify Grantor of the intended work by a means acceptable to both parties. Upon Grantor's reasonable request, Grantee shall supply additional information, plans and/or specifications as are in Grantor's opinion necessary to protect the public health and safety during the excavation, construction, or maintenance work and for the remaining term of this Franchise. All excavation, construction, or maintenance work shall be performed in conformity with Federal Department of Transportation ("DOT") regulations and any other applicable federal, state, and local laws and standards, except in instances in which deviation may be allowed due to unforeseen conditions and/or circumstances.

8.3. Workman-like Completion

Any excavation work performed in the Franchise Area shall be carried out with reasonable dispatch, in a workmanlike manner, and with as little interference with or inconvenience to the rights of the public as may be feasible.

8.4. Restoration of Franchise Area

Upon completion of any phase of an excavation project within the Franchise Area, the Grantee shall, without delay, and at Grantee's sole expense, remove all debris and restore the surface of the Franchise Area as nearly as possible to as good or better condition as it was in before the work began. Grantee shall replace any property corner monuments, survey references, or hubs that were disturbed, damaged, or destroyed during Grantee's work in the Franchise Area. Such restoration shall be done in a manner consistent with applicable codes and laws, under the supervision of the Grantor, and to the Grantor's satisfaction and specifications.

8.5. Compliance with Rules and Regulations

Grantee shall comply with all ordinances, rules, regulations, or policies now or hereafter adopted by Grantor regarding excavations in the Franchise Area and the Facilities contained therein.

Section 9. Relocation of Facilities

Upon request of the Grantor, the Grantee shall relocate its Facilities as necessary within the Franchise Area or other Grantor-owned property specifically designated by the Grantor for such purpose. Whether relocation is necessary shall be determined by Grantor in its sole discretion, which discretion shall be reasonably exercised taking into account all facts and circumstances. Grantor shall notify Grantee of any intended or expected requirement or request to relocate Grantee's Facilities as early as practicable, but not less than one hundred twenty (120) calendar days prior to any such relocation. Grantor shall endeavor to cause any such relocation to be consistent with any applicable long-term development plan or projection of Grantor or approved by Grantor. If, at any time, the Grantor shall cause or require the alteration or the improvement of any street or alley within the Franchise Area, the Grantee shall, upon written notice from the Grantor, with all convenient speed, change the location or readjust the elevation of its system and other Facilities so that the same shall not interfere with such work and so that such equipment and Facilities shall conform to such new grades or routes as may be established. In the event a relocation forces the Grantee off Grantor's existing easement(s) then Grantor shall make a reasonable effort to accommodate said relocation on alternative easement(s). If the Grantor requires the subsequent relocation of any of Grantee's Facilities within five (5) years from the date of relocation of such Facilities or installation of new Facilities, the Grantor shall bear the entire cost of such subsequent relocation.

9.1. Costs of Relocation

The Grantor shall have no responsibility for the costs of such relocations unless one of the following applies:

- (i) Grantor has failed to provide the required advanced notice, then any and all reasonable excess costs caused by the failure to provide such notice shall be paid by the Grantor.

- (ii) The Facilities are to be relocated for the benefit of a third party, in which case the third party shall pay the costs of relocation. Grantee shall have the right as a condition of such relocation, to require such third party to make payment to Grantee, at a time and upon terms acceptable to Grantee, for any and all costs and expenses incurred by Grantee in the relocation of Grantee's Facilities. Grantor shall condition any improvement or change upon the benefited third party paying or entering into an agreement with Grantee to pay Grantee for the cost of relocation.

9.2. Availability of Other Funds

In the event federal, state or other funds are available in whole or in part for utility relocating purposes, upon Grantee's request in writing, the Grantor shall apply for such funds and the Grantee shall be reimbursed to the extent any such funds are actually obtained, less all costs and attorneys fees incurred by Grantor associated with obtaining such funds.

9.3. Existing Facility Relocation.

This Section shall apply to the location or relocation of any Facilities existing pursuant to easement, and all other rights not derived from this Franchise or any earlier version thereof, insofar as the Facilities are located in the Franchise Area or any other area owned by Grantor.

Section 10. Vegetation Management

The right of Grantee to operate and maintain its Facilities and appurtenances shall include the right, as exercised in Grantee's sole discretion, to utilize an integrated vegetation management program, including the right to cut, trim, or remove any and all trees, brush, or shrubs growing in, on, or hanging over any portion of the Franchise Area, whether such trees or vegetation originate within or outside said Franchise Area that interfere with or may interfere with Grantee's Facilities. All tree pruning and removal work shall be done under the direction of a Certified Arborist (International Society of Arboriculture) and in compliance with ANSI A300 and Z1333 Safety Standards. Nothing contained in this Section shall prevent Grantee, when necessary and with the approval of the record owner of the property on which they may be located, from cutting down and removing any trees which overhang the Franchise Area and that may interfere with Grantee's Facilities.

Section 11. Vacation of Properties by Grantor

If, at any time, the Grantor shall vacate any street or alley which is subject to rights granted by this Franchise, to the extent permitted by law and in the event Grantee has already constructed Facilities in the subject street or alley, such vacation shall be subject to the reservation of a perpetual easement in favor of Grantee for the purpose of operating and maintaining the Facilities of the Grantee and other public utilities. The Grantor shall, in its vacation procedure, reserve, and grant said easement to the

Grantee for Grantee's Facilities and shall also expressly prohibit any use of the vacated properties, which may interfere with the Grantee's full enjoyment and use of said easement.

Section 12. Removal of Facilities

In the event the Grantor declares this franchise to be forfeited or upon its termination and if it is not renewed, the Grantor may require the Grantee or its successors and assigns to remove such of its facilities from the public properties at its own expense where there is a demonstrated threat to public health and safety and as may interfere with the use of the Grantor streets, alleys or other public properties, and if it becomes necessary for the Grantor to do so, the Grantor shall be paid for the reasonable cost of such removal by the Grantee. Any such Facilities to be left in place shall be made inert by the Grantee by purging all Gas from such Facilities (including displacement of natural gas with an appropriate inert gas) and disconnecting and sealing such Facilities, all in compliance with applicable regulations and industry standards.

Section 13. Franchise Fees

The City shall have the right during the term of this Franchise to unilaterally impose a 1% franchise fee. Said "franchise fee" shall be defined as: Grantee shall pay to the City a sum equal to one percent (1%) of its gross operating revenue which are hereby defined to mean all amounts of money which the Grantee receives or becomes lawfully entitled to less uncollectables for the sale of natural gas within the City. The City also has the right to increase its franchise fee up to three percent (3%), by obtaining approval of a majority of voters of the City voting on the question at an election held in accordance with Chapter 4, Title 50, Idaho Code. Any such vote to increase the franchise fee hereunder shall provide that the increased franchise fee will apply to any natural gas provider (other than the City) who utilizes the City's streets, alleys, or other public places to provide natural gas within the City, during the term of this Franchise.

Section 14. Preservation of Grantor's Right to Control

The Grantor, in granting this Franchise, does not waive any rights which it may now have or may hereafter acquire with respect to the Franchise Area of Grantor under this Franchise, and this Franchise shall not be construed to deprive the Grantor of any such powers, rights, or privileges which it now has or may hereafter acquire to regulate the use of and to control the Franchise Area covered by this Franchise. Grantee shall be bound by all ordinances, resolutions, rules, regulations or policies now or hereafter adopted regarding Grantor's Franchise Area.

14.1. Expansion of Grantee's Facilities

Any Facilities and appurtenances in Grantor's streets and alleys, incidental to the Franchise Area, that have been, or are at any future time acquired, newly constructed, leased, or utilized in any manner by Grantee are thereupon to be deemed authorized by and shall be subject to all provisions of this Franchise.

14.2. Change of Boundaries of Grantor

Any subsequent additions or modifications of the boundaries of the Grantor, whether by annexation, consolidation, or otherwise, shall be subject to the provisions of this Franchise as to all such areas. Grantor shall notify Grantee of the precise scope of any change of boundaries not less than sixty (60) days prior to such change becoming effective.

Section 15. Dangerous Conditions

15.1. Notice to Grantee

In the event that Grantee's Facilities or operations cause or contribute to a condition that appears to endanger any person or substantially impair the lateral support of any portion of the Franchise Area, or other public or private property, the Grantor may direct Grantee, at no charge or expense to the Grantor, to take actions to resolve the condition or remove the endangerment to the extent of non-compliance with applicable safety standards established by the regulatory body having jurisdiction over such matters. Such directive may include compliance within a reasonable prescribed period of time.

15.2. Authority for Grantor to Abate

In the event Grantee fails to promptly take action as directed by the Grantor, or fails to fully comply with such direction, or if emergency conditions exist which require immediate action to prevent imminent injury or damages to persons or property, the Grantor may take actions as it believes are necessary to protect persons or property and Grantee shall be responsible to reimburse the Grantor for its costs. The Grantor's authority to act upon Grantee's Facilities hereunder is specifically limited to actions, taken by trained emergency response personnel, to stop the flow of Gas actively contributing to a dangerous condition in the face of Grantee's failure to timely respond to the Grantor's request for such action.

Section 16. Ruptures, Leaks and Emergencies

16.1 Monitoring. Grantee shall operate in accordance with DOT regulations and any other applicable federal, state, and local laws or standards as amended from time to time.

16.2 Emergency Plan and Procedure. During the term of this Franchise, Grantee shall operate in accordance with DOT regulations and any other applicable federal, state, and local laws or standards. Upon acceptance of this Franchise, Grantee shall provide a copy upon request of its then-current emergency response plans and procedures, including, but not limited to, emergency rupture response recognizing that these plans and procedures may change from time to time. Grantee's emergency plans and procedures shall designate Grantee's responsible local emergency response officials and a direct 24-hour emergency contact number. Grantee shall, after being notified of an emergency, cooperate with the Grantor and make every effort to respond as soon as possible to protect the public's health, safety and welfare. The parties agree to meet as necessary to review the emergency plans and procedures.

16.3 Leaks, Ruptures, or Release of Gas. Grantee shall operate in accordance with DOT regulations and any other applicable federal, state, and local laws or standards, as amended from time to time.

16.4 Emergency Management. Upon the reasonable request of Grantor, Grantee shall meet with the Grantor's fire and emergency personnel to coordinate emergency management operations and participate in emergency preparedness drills or planning sessions.

Section 17. Indemnity

Grantee, their successors or assigns, agrees to defend, indemnify and hold harmless the Grantor, its appointed and elected officers and employees, agents, representatives, or assigns, from any and all liabilities, claims, causes of action, losses, damages and expenses, including costs and reasonable attorneys fees, that the Grantor may sustain, incur, become liable for, or be required to pay, as a consequence of or arising from or out of the negligent acts or omissions of Grantee in its construction, installation, maintenance, condition or operation of the Grantee's equipment or Facilities, or appurtenances thereto, connected with this Franchise, that now or may hereafter be upon, under, over, in, across or along, the highways, roads, alleys, bridges or other public ways or places of the Grantor; provided, however, that this indemnification provision shall not apply to the extent that said liabilities, claims, damages, losses and so forth were caused by or result from the negligence of the Grantor, its employees or agents.

Grantor agrees to defend, indemnify and hold harmless the Grantee, its officers and employees, agents, representatives, or assigns, from any and all liabilities, claims, causes of action, losses, damages and expenses, including costs and reasonable attorneys fees, that the Grantee may sustain, incur, become liable for, or be required to pay, as a consequence of or arising from or out of the negligent acts or omissions of the Grantor, its officers, employees or agents; provided, however, that this indemnification provision shall not apply to the extent that said liabilities, claims, damages, losses and so forth were caused by or result from the negligence of the Grantee, its employees or agents.

Section 18. Insurance

During the term of this Franchise, the Grantor may review the relative risk of the Grantee's installation and operations and request changes to insurance and liability protections at least sixty (60) days before the anniversary date of the Franchise. Unless so modified, Grantee shall furnish satisfactory evidence of commercial general liability insurance or similar liability utility insurance and maintain the same in good standing, with limits of at least five hundred thousand dollars (\$500,000) per occurrence and one million dollars (\$1,000,000) aggregate, with the City of Fernan Lake named as an additional insured and a provision that the coverage may not be cancelled or reduced without at least thirty (30) days notice to the Grantor. Self insurance is acceptable, if approved by the Grantor and backed by the resources of the Grantee.

Any Grantee insurance policy or approved self insurance arrangements addressing requirements of Section 17.0 above or otherwise because of Grantee's negligent or intentional acts or omissions shall be primary to any Grantor insurance coverage or Grantor self insurance and shall afford first dollar protection coverage for risks arising from Grantee's operations. On or before thirty (30) days of the anniversary date of the Franchise, Grantee shall file with the appropriate official proof of continued insurance coverage compliant with terms described in this section, through a Certificate of Insurance, or attestation that Grantee continues to self-insure as approved by Grantor.

Section 19. Non-exclusive Franchise

19.1. Scope

This Franchise is not, and shall not be deemed to be, an exclusive Franchise. This Franchise shall not in any manner prohibit the Grantor from granting other and further franchises in, upon, over, under, along, and across the Franchise Area that do not interfere with Grantee's rights under this Franchise. This Franchise shall not prohibit or prevent the Grantor from using the Franchise Area or affect the jurisdiction of the Grantor over the same or any part thereof.

19.2. Non-assumption of Risk by Grantor

By granting this Franchise, the Grantor is not assuming any risks or liabilities there from, which shall be solely and separately borne by Grantee.
