Comment: "I do not support a rate increase of over 25% twenty-five percent. Everything is getting more expensive, but twenty-five percent is excessive. "

Comment: "Please do not approve a 24.1% increase to consumers gas bill. I am not sure where they are getting the number would be \$10.55. Our bill would be much higher. In these times of inflation and everything rising, we consumers cannot afford a 24.1% increase. "
