Name of Utility Company: Intermountain Gas

Case ID: INT-G-22-07

Comment: "Do not increase the price of gas. The cost of living is to high as it is. Just because out of state residence decide to influx the state of Idaho, because they couldn't afford to live where they were does not mean companies need to make it harder for native Idahoans. It's ridiculous that a company like intermountain gas is even considering to charge more money when they are already one of the most paid companies. Do not approve the 4.4% increase. "
