RE: IN THE MATTER OF INTERMOUNTAIN GAS COMPANY'S
APPLICATION FOR AUTHORITY TO INCREASE ITS RATES AND
CHARGES FOR NATURAL GAS SERVICE IN THE STATE OF IDAHO;
CASE NO. INT-G-22-07

BACKGROUND

On December 1, 2022, Intermountain Gas Company ("Intermountain Gas" or "Company"), applied to the Idaho Public Utilities Commission ("Commission") for authority to increase its rates and charges for natural gas service in the State of Idaho effective January 1, 2023.

STAFF ANALYSIS

On June 30, 2023, the Commission issued Order No. 35836 approving a settlement agreed upon by the Company, Staff, AWEC, and ICL. The Settlement gives the Company an increased revenue requirement of \$3.05 million and a corresponding across-the-board increase for all customer classes. After receiving Order No. 35836, the Company submitted updated tariffs reflecting the rates approved by the Order. Staff has reviewed the Company's updated tariffs effective July 1, 2023, and confirmed they are in compliance with the terms of the settlement stipulation approved by Commission Order No. 35836.

STAFF RECOMMENDATION

Staff recommends the Commission approve the Company's tariffs and schedules approved through Commission Order No. 35836, filed on June 30, 2023, with an effective date of July 1, 2023.

COMMISSION DECISION

Does the Commission wish to approve the Company's tariffs and schedules approved through Commission Order No. 35836, filed on June 30, 2023, with an effective date of July 1, 2023?
