RE: Case No. INT-G-23-07

Dear Ms. Barrios-Sanchez:

Attached for consideration by this Commission is an electronic submission of supporting documents related to Intermountain Gas Company's Integrated Resource Plan, Case No. INT-G-23-07. In discussions with Commission Staff today, it was agreed that it would be helpful to have the enclosed native format documents of PDF documents already filed in this case (file IGC 2023 Final IRP.docx). In addition, the Company is providing the file "Intermountain System Diagram Map.docx" to assist with Staff's review of the PLEXOS model.

If you should have any questions regarding the attached, please don't hesitate to contact me at (208) 377-6015.

Sincerely,

Lori A. Blattner
Director, Regulatory Affairs
Intermountain Gas Company
