On May 30, 2025, Intermountain Gas Company (“Company”) applied to the Idaho Public Utilities Commission (“Commission”) requesting authority to increase its rates and charges for natural gas service in the state of Idaho. The Company proposed an effective date of June 30, 2025, with the understanding that the Commission would likely suspend the proposed effective date. The Company’s Application is structured around an anticipated effective date of January 1, 2026.

On June 13, 2025, the Commission issued a Notice of Application, Notice of Suspension of Proposed Effective Date, and Notice of Intervention Deadline. Order No. 36639. The Commission granted intervention to Alliance of Western Energy Consumers and Micon Technology, Inc. (collectively, “Intervenors”). Order Nos. 36654, 36676. On July 22, 2025, the Commission issued a Notice of Parties.

With this Order, we set a procedural schedule for this case; set a public workshop at which Commission Staff (“Staff”) will provide attendees an over view of the Application and take questions from the public; schedule a technical hearing at which the Parties may offer evidence
