On May 30, 2025, Intermountain Gas Company (“Company”) applied to the Idaho Public Utilities Commission (“Commission”) requesting authority to increase its rates and charges for natural gas service in the state of Idaho.

On December 30, 2025, the Commission issued an order approving a settlement that gave the Company an increased revenue requirement of \$13 million and updated rate spread among customer classes, effective January 1, 2026. Order No. 36889. The Commission directed the Company to file copies of its proposed tariffs within 14 days of the issuance of the order. On January 5, 2026, the Company submitted a compliance filing with new tariffs in response to the Commission’s instruction.

At the Commission’s Decision Meeting on January 20, 2026, Commission Staff presented a Decision Memorandum indicating it had reviewed the tariffs included in the compliance filing and confirmed the tariffs were consistent with the terms of the settlement stipulation approved by Order No. 36889.

The Commission now issues this Order approving the Company’s proposed tariffs.
