On October 1, 2025, Intermountain Gas Company ("Company") submitted Tariff Advice No. INT-TAG-25-04 to revise Rate Schedule FT (Franchise Fee/Tax Adjustment), Sheet No. 15. On September 10, 2025, the City of McCammon ("City") approved Ordinance No. 536, which extended the existing franchise agreement ("Agreement") between the City and the Company through September 9, 2035, unless amended in the manner set forth in Ordinance No. 536. The existing three percent franchise fee remained unchanged under the Agreement. The Company's proposed tariff revision reflected the new ordinance number for the City.

At the Idaho Public Utilities Commission's ("Commission") Decision Meeting on October 14, 2025, Commission Staff presented a Decision Memorandum recommending the Commission accept the Company's proposed tariff revision. The Company's Tariff Advice No. INT-TAG-25-04 proposed an effective date of November 19, 2025.

Commission Rule of Procedure 134.02 directs that no tariff advice will be effective unless the public and the Commission have been notified pursuant to applicable sections of Title 61 of the Idaho Code. IDAPA 31.01.01.134.02. Additionally, no tariff advice takes effect on less than 30 days' notice, "unless the Commission finds good cause to approve the earlier effective date." *Id.*

Having reviewed the record and finding the notice of the Company's proposed Tariff Advice meets the requirements of Rule 134.02, the Company's Tariff is approved, as filed, effective as of November 19, 2025.
