On December 18, 2025, Intermountain Gas Company (“Company”), filed Tariff Advice No. INT-TAG-25-05 requesting to revise Rate Schedule FT (Franchise Fee/Tax Adjustment), Sheet No. 15, to reflect new franchise fee ordinance numbers in the jurisdiction it serves. The ordinance numbers were updated, but the existing franchise fee remained unchanged. A total of 7 franchise fee agreements expired and were replaced with new agreements. The agreements imposed the existing franchise fee from the sale of natural gas within the corporate limits of each respective city, and all the agreements will remain in effect unless amended in the manner set forth by the terms of the ordinance.

At the Idaho Public Utilities Commission’s (“Commission”) Decision Meeting on January 27, 2026, Commission Staff presented a Decision Memorandum recommending the Commission accept the Company’s proposed revision to Rate Schedule FT (Franchise Fee/Tax Adjustment), Sheet No. 15, as filed, effective February 1, 2026.

The Commission’s Rule of Procedure 134.02 directs that no tariff advice will be effective unless the public and the Commission have been notified pursuant to applicable sections of Title 61 of the Idaho Code. IDAPA 31.01.01.134.02. Additionally, no tariff advice takes effect on less than 30 days’ notice, “unless the Commission finds good cause to approve the earlier effective date.” *Id.*

Having reviewed the record and finding the notice of the Company’s proposed tariff advice meets the requirements of Rule 134.02, the Company’s revised tariff is approved, as filed, effective as of February 1, 2026.

DATED at Boise, Idaho this 28<sup>th</sup> day of January, 2026.
