---

On June 6, 2024, the Idaho Public Utilities Commission (“IPUC”) issued Order No. 36204, finding that Enbridge Quail Holdings, LLC’s (“Enbridge”) acquisition of the parent company of Questar Gas Company (“Questar”) dba Dominion Energy Utah was reasonable and in the public interest. Furthermore, because the passage of time resulted in changes not reflected in the existing contract for regulatory services (“CRS”) between the IPUC and Utah Public Service Commission (“UPSC”) that authorized the application of UPSC rates to Questar’s Idaho customers, the IPUC authorized its President to execute an updated CRS with the UPSC. Order No. 36204 at 5–6.

During the IPUC’s August 27, 2024, decision meeting, Staff presented a decision memorandum that indicated the UPSC chairman had executed a slightly modified version of the CRS the IPUC authorized its President to sign in Order No. 36204. As the version of the CRS executed by the UPSC chairman contained only non-substantive revisions (*e.g.*, adding an email address for the UPSC), Staff recommended that IPUC authorize its President to sign that version of the CRS. Additionally, Staff recommended the IPUC close this docket as execution of the CRS would leave no other outstanding issues in this proceeding.

**DISCUSSION AND FINDINGS**

Questar is a gas corporation and public utility subject to the Idaho Commission’s jurisdiction pursuant to *Idaho Code* §§ 61-117 and -129. The CRS allows application of rates, charges and service regulations adopted by the UPSC to Questar’s Idaho customers if certain parameters (protecting Idaho customers) are met. We maintain all other authority granted to the IPUC by the Idaho Legislature under Title 61 of Idaho Code.

As the version of the CRS executed by the UPSC chairman does not vary substantively from the version we previously authorized the IPUC President to sign, we find it fair, just, and reasonable to authorize the IPUC President to sign that version of the CRS. A copy of that version

of the CRS is attached to this order as **Exhibit 1**. As there are no other outstanding matters in this case, we direct that it be closed.

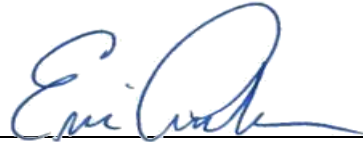

**ORDER**

IT IS HEREBY ORDERED that the IPUC President is authorized to sign on behalf of the IPUC the CRS executed by the UPSC chairman, a copy of this document is attached to this Order.

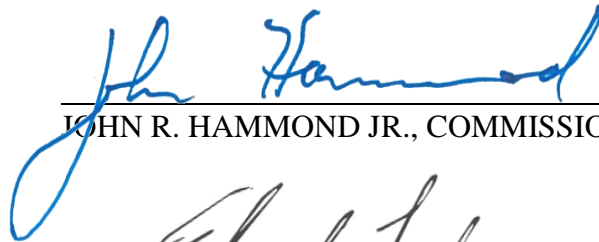

IT IS FURTHER ORDERED that this docket shall be closed.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order about any matter decided in this Order. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *See Idaho Code* § 61-626.
