RE: AVISTA FILING IN COMPLIANCE WITH ORDER NO. 33229
CASE NO. GNR-U-14-01

Avista Corporation dba Avista Utilities (Avista or the Company) submitted a filing to revise Avista's Idaho Rules and Regulation Sheets 70-d and 70-g.1 of its tariff to comply with Commission Order No 33229, Case No. GNR-U-14-01, which provides Avista an exemption to UCRR 311 (4) and (5). In addition, housekeeping changes were made to sheets 70-g and 70-i. The Company requests that the proposed revisions become effective June 15, 2015.

BACKGROUND

On February 17, 2015, the Commission exempted Avista Corporation, Idaho Power Company, and PacifiCorp dba Rocky Mountain Power from Utility Customer Relations Rule (UCRR) 311.04 and .05 (IDAPA 31.21.01.11.04 and .05). See Order No. 33229. Briefly, subsection (4) requires the utility to attempt to meet customers at their home or businesses before disconnecting their service for non-payment to provide an opportunity for the customer to pay their bill and avoid disconnection. Subsection (5) requires the utility to inform customers how they can have service restored if payment is not made at the time of disconnection. Avista has filed its new tariff sheets to comply with the Commission's order exempting them from UCRR 31.04 and 05.

TARIFF CHANGES

The proposed changes include the following:

Sheet 70-d has been revised to add an afterhours connection charge of \$12.00 for customers with remote connect/disconnect meters who have electric service only.

Sheet 70-g has been updated to remove an obsolete provision regarding an Automatic Check Handling (ACH) Withdrawal Charge. In Section 12, DEPOSITS, the first sentence was changed to cite the correct UCRR rule numbers. The reference to an exemption to Rule 107.02 was removed because the rule was revised in 2004, making the exemption unnecessary.

Sheet 70-g.1 has been revised to clarify the text. A reconnection charge and service reestablishment charge of \$12.00 for customers with remote connect/disconnect meters was added. A provision was added to specify what holidays Avista is closed. A higher reconnection fee (\$48) is assessed on Company holidays when its offices are closed and a customer requests reconnection on that day.

Sheet 70-i has been updated to correct the sheet number from a *70-l* to *70-i*.

The page format of all submitted sheets has been revised to remove sheet numbers in the right hand corner of each page to comply with Rule 131, Rules of Procedure (IDAPA 31.01.01.131). Rule 131 requires that area to be left blank for the Commission's stamp upon approval.

STAFF RECOMMENDATION

Staff recommends approval of Avista's proposed changes to its tariff. Staff reviewed the revisions to Sheets 70-d, 70-g, 70-g.1, and 70-i that Avista filed on June 4, 2015, and believes them to be in compliance with the Commission's Directive in Order No. 33229.

COMMISSION DECISION

Does the Commission wish to approve the changes set forth in this Compliance filing with an effective date of June 15, 2015?
