ON UTILITY COSTS AND
RATEMAKING

Case No. GNR-U-18-01

**MOTION TO APPROVE SETTLEMENT
STIPULATION AND REQUEST FOR
MODIFIED PROCEDURE**

Intermountain Gas Company (“Intermountain Gas” or “Company”) respectfully moves the Idaho Public Utilities Commission (“Commission”), under RP 56 and 274-275, for an order approving the settlement stipulation (“Stipulation”) filed herewith and closing this case as to Intermountain Gas. The Stipulation has been executed by Intermountain Gas, Commission Staff, and the Alliance of Western Energy Consumers (“Parties”), the only party who intervened as to Intermountain Gas. The parties agree that the Stipulation is a fair, just, and reasonable compromise of their respective positions in this case, and that the Stipulation is in the public interest.

The Parties do not believe the public interest requires a hearing to consider the issues presented by this Motion or by the Stipulation, and request that it be processed by Modified Procedure.

Intermountain Gas therefore respectfully requests that the Commission process the

attached Stipulation using Modified Procedure; enter an order approving the Stipulation without material change or condition on or before June 1, 2018; and close the case as to Intermountain Gas.

Dated: May 10, 2018.
