Case No. GNR-U-18-01

PETITION OF PACIFICORP IDAHO
INDUSTRIAL CUSTOMERS
FOR LEAVE TO INTERVENE

Pursuant to Rules 71 through 73 of the Idaho Public Utilities Commission's Rules of Practice and Procedure, PacifiCorp Idaho Industrial Customers ("PIIC") petitions the Idaho Public Utilities Commission (the "Commission") for leave to intervene. In support of this Petition, PIIC states as follows:

1. PIIC recognizes that Commission Order No. 33991 established March 6, 2018 as the date for interventions to be filed in this case, and that this Petition for Intervention is late. Intervenor believes the following reasons establish good cause as to why this late filed Petition should be granted:

- a. Intervenor regularly monitors PacifiCorp electric rate cases filed with the Commission on the Commission's website under the "Electric Cases" category. Intervenor was expecting to see this tax related case for PacifiCorp/Rocky Mountain Power (PAC/RMP) filed as an "Open Case" under "Electric" utilities. Unexpectedly [from this Intervenor's point of view], the case was logged as a GNR case and also not listed as an "Open Case" for PAC/RMP, or for any utility

for that matter, and was not noticed by this Intervenor in the course of regular monitoring.

- b. This Intervenor has no knowledge of receiving the Commission's official notice of this case, Order No. 33991 dated February 22, 2018. If the Order was in fact received, Intervenor failed to note that this GNR case would impact PAC/RMP and its electric rates charged PIIC members.
 - c. To date the Commission has not given notice of PAC/RMP's Application filed March 30, 2018 and the Company did not serve the Application on this Intervenor as it does in most rate cases as a courtesy.
 - d. There are no known active settlement discussions between the Company and Staff with respect to the Company's Application by reason of which there would be no delay or prejudice to either by the granting of this late filed Petition to Intervene.
2. The name and address of PIIC is:

PacifiCorp Idaho Industrial Customers
c/o Williams Bradbury, P.C.
P.O. Box 388
Boise, ID 83701

3. PIIC will be represented in this proceeding by Williams Bradbury, P.C. All documents relating to these proceedings should be served on the following persons at the addresses listed:

4. PIIC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party. PIIC intends to participate in all respects of this proceeding and will not unreasonably broaden the issues, burden the record, or delay this proceeding. Without the opportunity to intervene herein, PIIC would be without a manner or means of participating in the lawful determination of issues which will result in affecting the rates for electric service to the PIIC members.

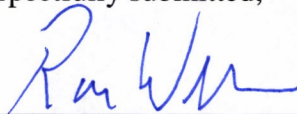

5. PIIC recognizes this is a multi-utility docket and wishes only to participate in the portion of this case as it relates to PAC/RMP. In the interest of efficiency and to avoid unnecessary filings and mailings, PIIC hereby waives services of all process, including pleadings, documents, disks and electronic files in this matter that are not relevant to PAC/RMP.

WHEREFORE, PIIC respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters that may be necessary and appropriate; and to present evidence, call and examine witnesses,

cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 17 day of April, 2018.

Respectfully submitted,

Ronald L. Williams
