SUBJECT: ZERO BASED RULES REVIEW - 2023

BACKGROUND

Executive Order 2020-01, signed by Governor Little sets forth a Zero-Based Rule Review for all state agencies. A master schedule was created for agencies with specific sets of IDAPA rules to be reviewed over a five-year period. The Governor's Executive Order states that:

“DFM shall ensure the volume of rules that are reviewed by the agencies in any given year is such that the public can engage and provide meaningful input in any individual rulemaking, with approximately twenty percent (20-percent) of rule chapters subject to review each year...”

This year's rules for review are IDAPA:

- 31.12.01 – Systems of Accounting Rules
- 31.21.01 – Customer Relations Rules
- 31.26.01 – Master Metering Rules
- 31.31.01 – Gas Services Rules
