NEWS RELEASE: Commission is accepting written comments on water utility's application to amend certificate of public convenience and necessity.

BOISE (Jan. 3, 2025) – The Idaho Public Utilities Commission is accepting written comments until late January on an application from a northern Idaho water utility to amend its certificate of public convenience and necessity, which would allow it to expand its service territory.

VP Inc. provides water service to the Hidden Lakes Subdivision in Bonner County, Idaho. The utility is seeking commission approval to offer water service to an area adjacent to its current service area. VP Inc. said the area can't be served by any other water utility.

The commission is accepting written comments on the utility's application until Jan. 28, 2025. Comments are required to be filed through the commission's website or by e-mail unless computer access is not available. To comment using the website, please visit puc.idaho.gov and click on the "Case Comment Form" link on the upper left side of the page. Please use case number VPI-W-24-02 when filling out the form. Those submitting comments using e-mail are required to send them to the commission secretary and VP Inc. at the e-mail addresses listed below. Comments are required to include the commenter's name, address and case number VPI-W-24-02. If computer access is not available, comments can be mailed to the commission and VP Inc. at the addresses listed below. Mailed comments are required to include the commenter's name, address and case number VPI-W-24-02.
