NEWS RELEASE: Commission schedules telephonic hearing on proposed land transfer in Valley County.

BOISE (Jan. 7, 2025) – The Idaho Public Utilities Commission will hold a telephonic public hearing on Jan. 14 to take testimony on an Idaho Power application to transfer 1.07 acres of land.

The land is located in the McCall-Donnelly Transmission Corridor in Valley County. Idaho Power is seeking commission approval to transfer the land to an adjacent landowner for \$1,900. The proposed transfer would allow Idaho Power to reserve the land as an easement if the commission approves the transfer.

The telephonic hearing will begin at 11:00 a.m. (MST). Those interested in submitting testimony can do so by calling 1-415-655-0001 and entering meeting number 2869 447 9165 when prompted.
