NEWS RELEASE: Commission is accepting written comments on water utility's application to receive certificate that would allow it to serve community.

BOISE (Aug. 4, 2025) – The Idaho Public Utilities Commission is accepting written comments until Aug. 21 on an application from Intermountain Sewer and Water, Corp. to receive a certificate of public convenience and necessity that would allow it to serve the Mayfield Spring Planned Community in Elmore County.

Intermountain Sewer and Water is currently not regulated by the commission. The utility's water system has been reviewed and approved by the Idaho Department of Environmental Quality. Comments are required to be filed through the commission's website or by e-mail unless computer access is not available. To comment using the website, please visit puc.idaho.gov and click on the "Case Comment Form" link on the upper left side of the page. Please use case number ISW-W-25-01 when filling out the form. Those submitting comments using e-mail are required to send them to the commission secretary and Intermountain Sewer and Water at the e-mail addresses listed below. Comments are required to include the commenter's name, address and case number ISW-W-25-01. If computer access is not available, comments can be mailed to the commission and Intermountain Sewer and Water at the addresses listed below. Mailed comments are required to include the commenter's name, address and case number ISW-W-25-01.
