**NEWS RELEASE: Commission Grants Water Utility Certificate of Public Convenience and Necessity**

**BOISE (June 3, 2026)** – The Idaho Public Utilities Commission has approved an application submitted by Southshore 2 Water Company LLC to receive a certificate of public convenience and necessity (CPCN). The CPCN will allow Southshore 2 Water to operate as a public utility in Idaho.

Southshore 2 Water owns and operates a water system in Nampa and serves 15 residential customers in the Southshore Subdivision No. 2.

In its order issued on May 29, 2026, the Commission directed Southshore 2 Water to adopt the Commission's Uniform Customer Relations Rules and Utility Customer Information Rules. The utility also was directed to maintain current rates customers are charged until a separate docket is opened by Commission staff to determine whether the rates are fair, just and reasonable. Southshore 2 Water currently charges a flat rate of \$95 a month.
