NEWS RELEASE: Public Workshop, Customer Hearing Scheduled for Nampa Water Utility's Rate Increase Application

BOISE (Sept. 17, 2026) – The Idaho Public Utilities Commission has scheduled a public workshop and customer hearing for an application submitted by Southshore 2 Water Company, LLC seeking to increase its rates. The workshop will provide an overview of the utility's application, and the hearing will give customers the opportunity to submit testimony for the record.

Southshore 2 Water owns and operates a water system in Nampa that serves 15 residential customers in Southshore Subdivision No. 2. The utility is requesting Commission approval to increase its flat monthly rate from \$95.00 to \$195.00 per customer. The utility said the requested rate increase is necessary to recover current costs associated with operations, maintenance, administration, customer accounting and other expenses.

Commission staff will hold the workshop both in person and virtually on Thursday, Oct. 15, 2026, from 6:00 p.m. to 8:00 p.m. Staff will present an overview of the utility's application and answer questions. Those interested in attending in person can do so at the Commission's offices, 11331 W. Chinden Blvd., Building 8, Suite 201-A, Boise, Idaho, 83714.

Those interested in submitting testimony in person can do so at the Commission's offices, 11331 W. Chinden Blvd., Building 8, Suite 201-A, Boise, ID 83714.
