Hi Jean,

This is for Case No.BRT-T-10-01, BIG RIVER TELEPHONE. He is asking that his Application be withdrawn and the case closed.

Will this do? Looks like he attached it to all my last e-mail to him in 2011. I have other e-mails to him as well.

Weldon, will this work?

Thank you

Carolee

Good Morning Mr. Schwanter,

On January 5, 2011 I sent you an e-mail requesting five issues that needed to be resolved, I've never heard back.

On May 16, 2011 I sent you a follow-up e-mail indicating that I had not heard anything from you – again, no response from you.

It is now a year later – perhaps it is time to close Case No. BRT-T-10-01 and resubmit. You can do this by sending an e-mail to [Jean.Jewell@puc.Idaho.Gov](mailto:Jean.Jewell@puc.Idaho.Gov) asking that this case be closed so that you can resubmit/refresh the Application and Illustrative Tariff for Commission's approval.

Before you resubmit, I still have questions as to what the Company is providing and how. It wasn't clear if you were interconnecting with the local cable companies, what exactly the service(s) is that the company will provide and moreover, whether we have jurisdiction.

Please withdraw the November, 2010 filing and let's start this process over.

Thank you

Carolee

Carolee,

Is there any status on Big River's application for Clec certification in the state of Idaho?
