On July 24, 2023, we filed with the Idaho Public Utilities Commission in Docket No. BLW-T-23-01 on behalf of our client Boomerang Wireless, LLC d/b/a enTouch Wireless and Application Seeking Partial Relinquishment of Designation as an Eligible Telecommunications Carrier on a Wireless Basis (Low-Income Only) in a Certain Service Area Previously Served by Underlying Carrier, Verizon Wireless and Removal of AT&T Mobility as an Underlying Carrier. After the filing, and in consultation with Staff, we determined that additional information should be included with the filing. Therefore, I am requesting to withdraw the Application without prejudice to refile at a future date. We expect to refile properly in the near term. Thank you for your assistance. If you need further information, please feel free to contact me.
