**COMES NOW** the Staff of the Idaho Public Utilities Commission, by and through its Attorney of record, Weldon B. Stutzman, Deputy Attorney General, and in response to the Notice of Application and Notice of Modified Procedure issued in Order No. 32020 on June 30, 2010, submits the following comments.

### BACKGROUND

On June 11, 2010, Crexendo Business Solutions, Inc. filed an Application for a Certificate of Public Convenience and Necessity to provide resold and facilities-based/UNE local exchange telecommunications services in the State. Crexendo currently has no office located in the State of Idaho. Crexendo is incorporated in the State of Arizona and is authorized to do business as a foreign corporation in the State of Idaho.

## **STAFF REVIEW**

Crexendo intends to provide resold local exchange services and to purchase unbundled network elements provided by existing Incumbent Local Exchange Carriers (ILECs) in Idaho. Crexendo seeks authority to provide all forms of intrastate local exchange and interexchange telecommunications services. Crexendo provided an illustrative tariff with its Application providing terms and conditions for its proposed services.

Crexendo states that it will not require advanced payments or deposits and seeks a waiver of the Commission's requirement for an escrow account for those payments. The Company also explicitly states that it has reviewed the "laws and regulations" of this Commission and agrees to comply with them.

## **STAFF RECOMMENDATION**

Staff recommends that Crexendo Business Solutions, Inc., be granted a CPCN subject to the following conditions:

- a) The Company agrees to comply with the Number Pool Administrator and Idaho Commission Order No. 30425, which requires NRUF and Utilization reporting;
- b) As a provider of local exchange services and in accordance with the Commission's Rules of Procedure, Crexendo will report and contribute as appropriate to the Idaho Universal Service Fund, Idaho Telecommunications Relay System, ITSAP and to comply with all reporting requirements that may be deemed appropriate in the future for competitive telecommunication providers;
- c) Prior to issuance of the certificate, Crexendo shall file a completed and final price list with all its rates, terms and conditions with the Commission;
- d) Crexendo will relinquish its certificate and all telephone numbers if, within one year of issuance of a CPCN, the Company is not offering local exchange telecommunications services in Idaho.

Respectfully submitted this 21<sup>st</sup> day of July 2010.
