On May 26, 2023, CTC Telecom, Inc. (“CTC”) applied to amend its Certificate of Public Convenience and Necessity (“CPCN”) No. 348 to relinquish the right to provide voice and broadband services via fiber in Ada County, Idaho (“Application”). In support of this request, the Company disclosed that it had sold the telecommunications equipment and facilities used to provide those services in Ada County to Millennium Networks, LLC (“Millenium”). In response, Commission Staff (“Staff”) recommended the Commission open a new case to review the asset transfer for compliance with *Idaho Code* § 61-328 and previous Commission orders.

On July 24, 2024, the Commission issued Order No. 36271, confirming that CTC continues to satisfy the requirements to have CPCN No. 348 and designation as an Eligible Telecommunications Carrier. Additionally, CTC was directed to submit an amended CPCN No. 348 that reflected the relief sought in the Application.

On August 12, 2024, CTC submitted as a compliance filing two copies of a revised CPCN No. 348, one “redlined” copy showing the revisions made and one “clean” copy. Staff reviewed the filing and, at the Commission’s September 17, 2024, decision meeting, recommended that the Commission accept the filing.

**COMMISSION FINDINGS AND DECISION**

Having reviewed the record and the Company’s submission, the Commission finds that CTC has complied with Order No. 36271. We accept the Company’s amended CPCN No. 348, as filed.

**ORDER**

IT IS HEREBY ORDERED that CTC’s amended CPCN No. 348 is approved as filed.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order about any matter
