Attorneys for Petitioner Farmers Mutual Telephone Company

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE APPLICATION OF
FARMERS MUTUAL TELEPHONE
COMPANY, FOR BROADBAND TAX
CREDIT CERTIFICATION**

CASE NO: FMT-T-20-04

PETITION FOR RECONSIDERATION

COMES NOW Farmers Mutual Telephone Company ("FMTC" or "Petitioner") and pursuant to Rule 331 of the Idaho Public Utilities Commission's (the "Commission") Rules of Procedure, hereby petitions for reconsideration of Commission Order No. 34896, issued January 20, 2021. FMTC respectfully requests the Commission reconsider its decision on the issue addressed below, for the reason that certain information filed in connection with FMTC's application was erroneously filed, which resulted in an Order with the incorrect dollar amount of qualifying broadband equipment for FMTC for 2019.

1. The list of qualified broadband equipment attached to FMTC's Application was not correct and included the qualified broadband equipment of an affiliated entity rather than that of FMTC, and thus resulted in an erroneous order.

Order 34896 asserts that FMTC had a net investment in qualifying broadband equipment in the amount of \$3,351.97, and issued its order stating that such qualified broadband equipment was eligible for the tax credit under Idaho Code § 63-3029I. However, the equipment list attached to FMTC's Application was erroneously filed, and instead included the equipment list for an affiliated entity of FMTC. FMTC had a net investment in qualifying

broadband equipment in the amount of \$4,347,224.89. The Commission's findings are thus erroneous, and FMTC desires that the Commission reconsider its Order with the correct equipment list.

Attached hereto as Exhibit A is the correct list of "qualified broadband equipment" within the meaning of Section 63-3029(1)(3)(b), Idaho Code in which FMTC invested during the calendar year 2019.

2. FMTC hereby requests that the Commission reconsider Order 34896 in light of the corrected information.

3. Communications regarding this Petition should be addressed to the following:

4. Petitioner does not believe that the public interest requires a hearing on this matter and, therefore, requests that the Commission reconsider Order 34896 with the corrected information by Minute Order or under Modified Procedure. In the event the Commission determines that further proceedings are necessary, Petitioner stands ready for immediate hearings.

WHEREFORE, FMTC requests that the Commission issue a new order determining that the installed equipment identified in Exhibit A constitutes qualified broadband equipment eligible for the investment tax credit authorized by Section 63-3029I, Idaho Code.

RESPECTFULLY SUBMITTED this 25th day of January 2021.
